Purpose/Audience
Penn State College of Medicine sponsors this series of dinner meetings to provide regular updates on various topics to physician assistants and nurse practitioners in the central Pennsylvania area.

Objectives
Upon completion, participants should be able to:
• Recognize signs and symptoms of common otologic disorders
• Discuss differential for ear pain
• Initiate an evaluation of a patient with hearing loss

Credit
Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Penn State College of Medicine designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure
Penn State College of Medicine is committed to offering CME programs which promote improvements or quality in healthcare and are developed free of the control of commercial interests. Reasonable efforts have been taken to ensure that our programs are balanced, independent, objective, scientific, and in compliance with regulatory requirements. Faculty and course directors have disclosed all relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Penn State also requires that faculty disclose any discussion of off-label or investigational uses included in their presentations. Disclosure of a relationship is not intended to suggest or condone bias in a presentation, but is made to provide participants with information that might be of potential importance to their evaluation of a presentation.

The information presented at this CME program represents the views and opinions of the individual presenters, and does not constitute the opinion or endorsement of, or promotion by, Penn State College of Medicine. Each participant must use his/her personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

Speaker Gale L. Bentz, MEd, PA-C, has nothing to disclose.

Registration
There is no fee for this program. You must register by phone at 717-531-6483 or by e-mail at ContinuingEd@hmc.psu.edu. Registration is requested by June 26, 2010. Registrations will be confirmed by e-mail. If you do not receive a confirmation within two weeks, phone 717-531-6483 to confirm. Late registrations will be accepted if space is available.

The University may cancel or postpone any course. In this event, the University cannot be held responsible for related costs, charges, or expenses, including cancellation or change charges assessed by airlines or travel agencies. Preregistered participants will be notified if a program is filled or canceled.
