Dear Member of the Penn State College of Medicine Class of 2014,

Welcome to the Penn State College of Medicine Family! We are extremely happy that you have chosen to join us at Penn State and trust that you will have an incredible experience in Hershey. We are sure that you are eagerly preparing for your move here and are readily anticipating the start of medical school. The purpose of this letter is to relieve some of your worries and to provide you with preliminary information. The Class of 2013 is responsible for the coordination of the student activities part of the orientation for incoming medical students. The Orientation Committee, along with our fellow classmates, are very excited about your decision to come to Penn State, and we are anxiously awaiting your arrival. We are working very hard to plan activities that will allow you to get to know your classmates and will hopefully make your transition to Hershey and medical school a smooth and easy one. Please let us know if you have any questions prior to orientation.

In order to get started we will need some very basic information from all of you. On the orientation website, http://www.pennstatehershey.org/web/md/home/accepted/orientation, you will find several forms that need to be completed at your earliest convenience. One such form is the “Little” Application Form which will assist us in matching you with an appropriate “Big” to serve as a peer advisor during your first year. The Big-Little program matches each incoming first year student with a knowledgeable second year student who will provide friendship, advice, and direction pertaining to school and life. The Big-Little program is not mandatory, but if you’d like to participate, please complete the application.

This website will be constantly updated with forms to fill out and information regarding the start of school and orientation. Please check back frequently for updated content.

While formal orientation starts on Monday, August 2, we will be starting “social” orientation on Saturday July 31 to give you a chance to get to know Hershey and your future classmates. Please fill out the Orientation RSVP form online to let us know when we can anticipate your arrival for orientation. This form will be available towards the end of June.

If you have any questions pertaining to orientation or your move to Hershey, we encourage you to contact us at 2014Orientation@gmail.com.

Again, we congratulate you and are looking forward to meeting you soon!

The Class of 2013 Orientation Committee (2014Orientation@gmail.com)
