FIRST DAY OF RESIDENCY TOMORROW. ARE YOU NERVOUS?

NO WAY. WE'VE MADE IT. WE'RE DOCTORS NOW. IT'S GOING TO BE ECEAT!

WELL I AM GOING TO HIT THE SACK. WE'VE GOT AN EARLY MORNING COMING.
NEXT MORNING
JULY 1...

WAIT! WAIT! I FORGOT THE CONSENT!

OPERATION

BUT THE OR IS READY FOR US NOW!

ALRIGHT BUDDY, LET'S GET TO WORK
Alright newbie, let's see you nail this intubation.

Aim here.

Congratulations... you've intubated the esophagus...

Not here...

Now make a small incision in the... no! Not there!!!

Good god! When were you going to deal with that blood pressure?
Now carefully cut the artery between my clamps.

BETWEEN THE CLAMPS, YOU IMBECILE! IT'S A BLOODBATH IN HERE!

What's that awful smell? You must have nicked the bowel!

Sorry sir, that was actually me...
LET'S TAKE A LOOK AT YOUR ANESTHESIA FLOW SHEET TOGETHER.

YOU'VE GIVEN NOTHING BUT A PARALYTIC FOR THIS ENTIRE CASE?!

YEAH IT WORKS GREAT. THE PATIENT HASN'T BUDGE'D!

I SWEAR THIS IS LIKE WATCHING MY SIX YEAR-OLD PLAY "OPERATION."

TO PACU

JUST TRY NOT TO KILL MY PATIENT BEFORE HE GETS TO RECOVERY...
So whadaya think of the new guys?

We'll break 'em down yet, but I think they're going to be good doctors.

Good job today guys. We'll see you tomorrow.

Quite a first day, huh?

I wanna go back to medical school.
